

ListenWIFI

QR Code Transition Guide: A quick guide to replacing QR codes for uninterrupted venue access

- **Log in to ListenWIFI Manager** and ensure it is updated to the latest version (1.2.1).
- **Navigate to the Mobile App** configuration dashboard.
- **Click on a channel** in the mobile app preview.
- **Click on the QR code symbol** to regenerate QR codes using the new OneLink format.
- **Print off new QR codes** (or copy the link) for all channels available.
- **Update any QR code posters or links** that have been previously distributed or provided for user access at your venue. This will need to be done prior to the cutoff date of August 25, 2025.
- **Test the new links locally** to ensure proper connection to ListenWIFI channels, for both Android and iOS devices.
